Program Description

You will work as an assistant teacher at one of our many local kindergarten schools. This program helps children in the villages improve their English language. You will primarily teach children English, Mathematics, Arts and Crafts, games and educate them. They may be called upon to help teach drama, music and foreign languages. You will assist other teachers and staff and may have to create teaching plans, etc. All the teaching institutions are more than 5 years old. They all share the common values and aim to create a better future for the children. Some of them provide free education to the children. All the organizations are well managed and are supervised by officers from government and private organizations.

- Primarily teach English (spoken & written), but also teach drama, music, arts, crafts and foreign languages
- Encourage children in academics and promote all round development of the child
- Assist teachers and other staff
- Create teaching plans
- Mind building and physical strengthening games
